

## Venues

### BRISTOL – THE PIERIAN CENTRE

The Pierian Centre is a unique venue for learning. Housed in a graceful Georgian building in a Grade 1 listed square in the heart of Bristol, it was established to provide the best possible environment for people to make practical and sustainable changes to all aspects of their lives.

The philosophy of the centre echoes much of The Foundation's teaching, in particular, the importance of realising our own creative potential and that of others around us, which makes the centre a perfect base for our courses.

### MANCHESTER – THE UNIVERSITY OF SALFORD

The University's attractive Peel Park Campus is located just one and a half miles west of Manchester's cosmopolitan city centre, set in its own private parkland on the banks of the River Irwell. The University is a renowned center of excellence within the building industry and offers first class teaching facilities. It has its own train station 'on-campus' and it is within minutes of the motorway network – making it an ideal location for our training course.

### GLASGOW – GLASGOW CALEDONIAN UNIVERSITY

Glasgow Caledonian University is one of the largest universities in Scotland providing one of the best learning environments in the whole of the UK. The campus has been purposefully designed not just provide space for people to learn, but also to meet their human needs – to talk, to recharge and also to have fun! Basing our course here means that our students are able to take advantage of this as well as accessing the vibrant city centre area which is just 5 minutes walk away. Excellent road, rail and bus links make this campus accessible to virtually everyone in Scotland and the North of England.

### BRIGHTON – BRIGHTON COLLEGE

As a purpose built educational establishment Brighton College makes a perfect venue for our training courses. The setting is ideal for students, combining bright, spacious study areas conducive to studying with beautifully landscaped grounds for relaxation between lectures!. The College is perfectly placed for access by road and rail as it is set in the heart of Brighton, just a 10 minute walk from the beachfront and a stones throw away from fashionable Kemp town with its colourful shops and wholefood eateries.

### LONDON – Venue to be announced

### MIDLANDS – Venue to be announced

## Accommodation

Details of local accommodation for each venue are available from the office.
